Free and it's for me!

Hope that got your attention. Keep reading and I'll tell you more about some Freebies from Cains View Estates.

I wanted to give you an opportunity to receive some free rent in Cains View Estates. It is our resident referral program. Often times we find that a satisfied resident is our best form of advertisement. You can receive up to 6 months of free rent with just one referral and there is no limit to how often you wish to participate in our referral program. This is how it works.

- (1) receive 1 month free rent when a new resident that purchases an existing home already set up in the community and lists you on their application as their referral.
(This does not qualify if you are the re-seller of the existing home being purchased)
- (2) Receive 6 months free rent when a new resident purchases a home to be set up in Cains View Estates and lists you on their application as their referral.

Cains View Estates currently has move-in specials for new residents with existing homes and homes being moved in.

There is no other commitment or strings attached. Imagine! This could just be about as good as cash, you could buy new furniture, pay off debt, have some extra cash flow in your home instead of out! Call with more questions or if more information is needed.

I hope you'll consider taking this opportunity to tell your friends, family, co workers or any one else that is possibly considering a move. They may not have considered a manufactured home.
